

HIKE has provided diverse services for clients, architects throughout the Middle East. As a full service contractor, HIKE has the skills and experience to manage, build and support a wide variety of project types and client needs. Hike has accomplished several projects of civil and construction works. Hike has created a new division that is categorized under "Projects for Sale" in Hike Lebanon and in Hike Greece. Throughout the decades, Hike managed to evolve along with its sister company Green Line in UAE.
